Berenice SAIDAH

• Occupational Psychologist •

- PhD candidate in Experimental Social Psychology -

CAREER PLANNING

As a current PhD candidate in Experimental Social Psychology, my goal is to pursue my researches abroad in the field of education. To that end, I plan on doing a research career, especially on the study of success criterion, academic judgment and motivation.

EDUCATION & PROFESSIONAL DEVELOPMENT

- Since 2017 **PhD candidate in Experimental Social Psychology** | Laboratory of psychology of cognitions (LPC) | Strasbourg University (SU) | Government doctoral scholarships | Thesis supervised by Pr. Eva Louvet and co-supervised by Mr. Bruno Chauvin, lecturer in Social Psychology
- Title: « *Social judgment in educational context: the social value of effort in academic judgements* »
- 2017 **Master Degree in Social Psychology of Work and Organizations** (Head of the class M2) | SU
Research topics: judgment and educational motivation; organization role conflicts; risky driving behaviors
- 2015 **Bachelor in Psychology** | SU

PROFESSIONAL EXPERIENCES

- 2018 **Deputy Chief of the European Parliament Simulation** – « Simulation du Parlement Européen Canada – Québec – Europe » (SPECQUE) | Montréal
- “Alsace Santé au Travail” (AST67) – Local law association, Strasbourg
- 2017 – supervised by Dr. Françoise Siegel, Occupational Physician
- Managing Focus group and working groups about psychosocial risks
 - Conception and analysis of role conflicts indicators
- **Digital service users direction** - Strasbourg University
 - supervised by Charlotte Beck, Occupational Psychologist
 - Managing focus group about work communication
 - Conception and analyzing communications problems indicators
- 2016 **Regional Health Agency** – Aquitaine, Limousin, Poitou-Charentes, Health Ministry
- supervised by Hélène Bertrand, manager of social dialogue and quality worklife
- Development of a charter use of communication technologies encompassing the whole region
 - Managing the social audit for the whole region
 - Development of psychosocial risks indicators

RESEARCH EXPERIENCES

- 2017- 2020 **PhD student** – Laboratory of Psychology of Cognitions (LPC) | Strasbourg
- 2016 -2017 **Research fellow (17 months)** | LPC, Strasbourg
- supervised by Eva Louvet, Pr. in social psychology
- Motivation & academic judgements
- 2015 **Research fellow (10 months)** | LPC, Strasbourg
- supervised by Florence Spitzenstetter, lecturer in social psychology
- Risks perception and alcohol consumption while driving
